Menus: Menus will be distributed to the classes usually around mid-month. Each student who wishes to take hot lunches will need to ensure their form is filled out by their parents and returned with appropriate payment to the PTA office by the date stated on that particular months menu

Cost: \$25 per meal, the minimum order is shown on the monthly order form.

Payment: Bank Transfer, Cheque or PPS. Full details are provided on the menu order. Please attach your cheque or proof of payment to the menu. Please don't forget to put the school name, students name and class number on your payment advice. Please also note that **cash will not be accepted** for the payment of the monthly meals.

Utensils: Students having Tastee meals for the first time can collect a cutlery pack from the PTA office. This cutlery is reusable and it is the students responsibility to name their cutlery and take home, wash and return to school for reuse.

Packaging: After the food is cooked it is packed as quickly as possible in bio-degradable lunch boxes and stored in thermal carriers to prevent temperature loss and then delivered to the school.

Delivery: Two serving representatives from Tastee Gourmet will distribute the thermal carriers to outside the classrooms. They will also collect and dispose of the lunchboxes after use. If there are any problems your child should inform the class assistant and go to the serving area outside the PTA Office for assistance from a Tastee Gourmet representative.

Absence: If your child is absent from school on a day that they have ordered lunch; the parent is responsible for informing Tastee Gourmet. To receive a 'credit' for the cancelled lunch parents need to call the Tastee Gourmet hot line number **2409 8389** which is active from 8.15am to 8.45am weekdays. Please inform them of your child's name and class number in order to receive a credit for the following month. **The School Office and the PTA Office are unable to make cancellations on your behalf.**
